WELCOME

Clogs menu packages are presented as ‘family style’ shared dining. The number of dishes provided for each course will vary depending on the size of your group. We don't want any of our guests to ever leave hungry – if you feel more food is required, this can be arranged with your waiter at the time of the function.

Our menu packages are designed to cater for **groups of 12 or more** however, if you would like to discuss options for groups smaller than 12 guests please contact our function coordinator directly on the contact details below.

We can tailor any of our menu packages to suit your needs. Please feel free to contact us at any time to discuss your specific event and requirements.

For further information and to speak with our function coordinator, please contact us:
