ABOUT CLOGS

Being cared for, and in-particular being fed, is still one of the most gratifying and wondrous human acts of kindness we are all capable of. It is, at its core, the most generous gift we know. It is how we show love.

At Clogs we have made this our mission and life's work - we pride ourselves on our ability to always fill your heart, soul and of course, your belly.

For nearly 50 years two generations of the Van Haandel family have been catering to the culinary needs of Bendigo locals and tourists alike. For half a century their headquarters in Bendigo's main street has remained a brightly lit beacon to all who desire warmth, care, service and the tastiest meals in town.

At Clogs we understand that life is not always easy, and sometimes organising the family dinner after a long day at work is not ideal...! So we have devised a menu to give you and your family a wide ranging choice of delicious favourites, healthy options, as well as a few naughty surprises (and we can deliver it to your door too!).

Come in and relax, or sit at home, shake off the day, have a laugh, sample the extensive drinks menu and enjoy our Italian focused menu.

Life is for living; food is for eating.
